Bulletin Correspondence.

April 8th, 1903.
Yesterday saw the Public Works estimates well advanced, and so much of the construction business of the session disposed of.

The question of accommodation for immigrants coming into the country was brought up by Boyd of Marquette. The debate was taken part in by Roche, McGreevy and others. There seems to be a general agreement of opinion that no effort should be spared to meet the requirements of the present rush of settlers. The Honorable Mr. Mulock, acting Minister of Interior, expressed himself of being desirous of having the case adequately met. He was taking measures to have accommodation furnished wherever needed, as soon as possible, but the rush had begun earlier than anticipated and indeed exceeded the most sanguine expectations of the Immigration Department.

ONTARIO & SASKATCHEWAN LAND CO.
Another land company has been launched. This is the Ontario and Saskatchewan Land Company which recently purchased 450,000 acres of land from the C. P. R. between the Vermilion and Battle Rivers, south of the district where the Barr colony have located. This immense tract of land is especially adapted to wheat growing. This company has already met with great success in Western speculation. The directors are, Thomas Long, G. E. Foster, Senator Watson, J. J. Foy, Col. Davidson, Judge Prudden and others.

ADDRESS AND PRESENTATION.
W. J. Hunter leaves to-morrow for Fort Saskatchewan to assume the management and editorship of the Reporter—the new paper he will publish at the Fort. The local Court of the Independent Order of Foresters, with whom Mr. Hunter has long been connected, presented him with the following address last Monday evening. As a further evidence of their appreciation a gold locket and chain, the locket inscribed with Mr. Hunter's initials on one side and the emblem of the order on the other, were also presented.

CHAMBERS OF COURT EDMONTON, NO. 1346, I. O. F.
To Brother W. J. Hunter,
Our well beloved and trusted brother. This meeting, though called for the transaction of business of the order and of this Court, was called also for another purpose, namely, to say a few words expressive of our regret that you are compelled to leave this place and that we are therefore forced to fill your place of recording secretary which you have held so long and filled so faithfully.

We, the members of Court Edmonton thought that the occasion would be a fitting one to offer you a slight token of the estimation in which you are held.
Kindly accept this chain and locket, not that it can repay you for the time and trouble you have spent in our behalf, but that you may know that we appreciate your efforts in our behalf.
We hope the future will be crowned with every success both for you and your wife and family.
Signed on behalf of Court Edmonton 1346 I. O. F.

AN OPEN LETTER

To the Builders of Edmonton District.

Gentlemen: No doubt you have heard and read in the papers recently a great deal about the so-called "LUMBER COMBINE," and the consequent advance of prices. In this connection a few statements of fact from us may be in order.

The manufacturers of British Columbia advise us that the advance in prices is due to the increased cost of labor and of materials and that this justifies the advanced prices to the trade. Whether this is true or not we are not in a position to judge.

But we do know that it is very difficult to get orders for B. C. lumber filled with any degree of promptness. Many of the mills are sold out of stock and cannot at present ship a car. We therefore claim that the advanced prices in due to scarcity of lumber.

The price of any commodity is regulated in our day not so much by the cost of production as by the general demand for the commodity.

As to our own prices we beg to say that we are careful to see that they bear a right relation to cost. We cannot help the rise in B. C. lumber because the cost price is considerably advanced. But in the line of our own manufacture such as Windows, Doors, Frames, etc., our prices are lower than the prices for the same articles either in British Columbia or Manitoba. This will indicate to you our position in the matter.

In view of the scarcity referred to if you are building or intend to do so, we advise you to place your order with us as soon as possible so that we may get in a position to fill it when required. We promise to do the very best for our customers that circumstances will permit.

Very Truly Yours,

CUSHING BROS. CO. LTD.

STORE NEWS

THE STORE OF THE TOWN.

Perfect Store-Keeping is Our Aim

In every act we try to approach the standard of perfect store-keeping. While no house can hope to reach this goal at a single bound, we make it our daily endeavor to progress toward the ideal, which we have set as a standard. We believe that quality and liberal policy are the superstructure, because low prices have little or no significance if quality is lacking; and a liberal policy that insures an exchange of merchandise or your money back if dissatisfied lends an air of freedom and independence to shopping that robe it of objectionable features. Our liberal policy has done more toward making shopping a pleasure than a mercantile innovation ever warranted, because we live up to it by making it the first law.

LACES & EMBROIDERIES

AIRY, FAIRY LACES. If we could tell the beauty of this display of cowdoby finesses, these counterparts of the dew-droplet creation of the insect which spins its silken threads at night to glisten in the play of the Spring morning, it would make our lovely lace no more real. Come and see them.

LOVELY NEW EMBROIDERIES

Exactly these fine choice edges on nice cloths that appeal to women who desire quality.

BOOTS & SHOES

BOYS' & GIRLS' SHOES. — Good, reliable shoes for school or dress. If every mother in Edmonton knew how good and low priced are the shoes for children which we have, we should still have to say something about them every little while out of pure enthusiasm, and to let the newcomers to Edmonton know that the best is always the cheapest; and we have the best for your money.

Men's and Boys' Women's, Misses' and Children's RUBBER BOOTS in all sizes. Shoe department on main floor, rear of left hand aisle.

MEN'S CLOTHING

"BE WELL DRESSED this Spring. There's a prosperous look to the well-dressed man. We can dress you. "Facts are stubborn things" and when we advertise the best-clothing for little money and back on the statement with the goods it is not hard to convince you that there are many reasons why we hold our patrons and why we are able to make so many new ones.

Picadilly Suits \$12 to \$30
" Overcoats \$10 to \$22.50
Picadilly Trousers \$3 to 6.50

MEN'S HATS

BROWN IS THE ELECTED COLOR. The edict demands it of most every shade. We have just twenty-five different styles of hats, both soft and stiff in all manner of browns. Also black, if you prefer it. They include the latest fashions sponsored by the Charge-for-the-label hat, and a few exclusive ones. We ask \$2.50 for the best-clothing for the hat, yet it identifies as much style and material quality as any of them.

W. H. HOOPER COMPANY

OFFERS ON

MONDAY, MAY 4TH, 1903,

200 LOTS - 50 X 150

ON

Kenneth Macdonald Flats

The Finest Alluvial Soil on Earth.

On each Lot enough may be grown to support a family.

The property adjoins Little's brick yard on the South, the Experimental Farm on the North, and overlooks the Saskatchewan on the East.

The opposite bank of the river, rising in natural terraces from the water's edge to an average height of 150 feet, beautifully wooded, affords A PANORAMA OF HARMONY AND DELIGHT.

Edmonton has passed the experimental stage, and will possess in a few years a metropolitan population.

The Railway Question is settled. The Canadian Pacific, Grand Trunk and Canadian Northern are assured quantities.

A fact not generally known substantiates that Edmonton will be a terminus for some years, is that the carrying capacity of the Canadian Pacific exceeds the Oriental and British Columbian trades combined, and the three great roads mentioned will halt before pushing on to the Pacific, thereby making our city of vastly more importance than it would otherwise have been.

Much of the timber is primeval. The principal streets will be boulevarded, and ancient growth furnish overshade.

Maps and schedules of prices open for inspection at W. H. Hooper Company's Office on May 4, 1903.

A portion of the ROWLAND ESTATE, otherwise known as "THE SYNDICATE."

Plans and Prices can be seen at the Office on and after the date mentioned.

This is the closest and best property available, and the choicest in and about Edmonton. The furthest part is from 10 to 15 minutes from the post office. The property is eminently the people's portion: is not controlled by a policy of inertia dictated by "Hebraic Hatred." The surveys conform to existing ones, and the streets will be projected to their legitimate confines. Building Sites on the verge of the hill overlooking the mighty Saskatchewan, the foliage and verdure of whose banks is not exceeded by the fiercest tropics or softest Pacific scenes, abound. Prices will be uniform and moderate, tempered as a corrective of the present indefinite craze.

TERMS.—One third Cash. Balance 6 and 12 months, interest 8 per cent. Agreements \$2 each, transfers free.
